

# SPARES AND EQUIPMENT TO BE CARRIED BY ALL BASH CARS

The following list of equipment is to be supplied and carried by each Bash vehicle in the event of a mechanical breakdown. It is the responsibility of the registered owner/s of the vehicle to ensure that these items are stored in the vehicle prior to the commencement and during the event. MW's may be able to assist with breakdown repairs. They are not responsible to sourcing the broken item. All endeavours will be made to make the temporary repair of a vehicle.

Current registrations papers have been sighted by a Variety Mechanic
