Newly created position! Grants Coordinator (0.6 FTE)

We are excited to announce this brand new position in the Variety SA team. The Grants Coordinator is a permanent part time role that plays a pivotal part in the administration of Variety's incredibly successful grants program. This

program provides funding for equipment and services for individual families as well as support to children's organisations such as schools and hospitals. This important role is the first point of contact for the families and organisations we help, providing regular information to them as well as working closely with the Grants Committee whereby the successful candidate will facilitate sound decision-making in line with Variety's core values and objectives.

For more information, please see the job advertisement [here](#) and refer all queries to Al Kalvaitis - akalvaitis157@bigpond.com

Grant Recipient of the month

Harpreet

Meet Harpreet, a Variety SA grant recipient who is seven years of age, and lives with Spina Bifida and Shunted Hydrocephalus. Harpreet relies on a manual wheelchair for her mobility and can now travel safely and comfortably, without having to be transferred in and out of her chair, thanks to her family's new wheelchair accessible vehicle. It was all smiles when Harpreet and family picked up the keys from the team at the Variety SA office!

Head to our website for more information on ways you can donate to help kids like Harpreet, or apply for a Variety SA grant.
