This day is intended to give the BASH cars a 'run' before having them inspected at MW Day. There will not be any official mechanical support for this drive and all those attending will be responsible for their own vehicles and passengers. This is open to all of Variety, so any 4WD Adventurers or Moto Run entrants who want to join us, feel free. All bitumen! This is not a fundraiser, nor is there any charge/fee to attend!

We certainly recommend Virgin Cars or Virgin Crew attend. This will help get to know your vehicle and you will meet some of the people that you will spend over a week with!

While no official response is required, we would like to give the Old Inglewood Inn (Pete Howell – formally Car 351) an indication of numbers for lunch so if possible let John, Deeon or Mandy know if your Car is coming along and how many people.
