Once your tins are full take them to a Bendigo Bank and you can bank the money into our Bank Account below;

REF: (BASH22/Car No.)

If your local Bendigo Branch has a Smart ATM, coins can be deposited through that or coins must be bagged in individual denominations and deposited over the counter.

You will receive a confirmation receipt, if you take a photo of the receipt and email it to finance@variety.org.au your funds will be allocated to your fundraising statement as easy as that!

BANK ACCOUNTS

Bash entrants must not create bank accounts with any of the following names; Variety, Variety Bash, Bash Car or anything similar to hold money raised for Variety.

TRANSFERRING FUNDS TO YOUR BASH CAR

A reminder to tell all donors and supporters when transferring funds into our bank account to make sure they reference **Bash22/Your car No.**

Then email all details to Tanya via finance@variety.org.au and what the payment is for to ensure the funds are allocated to your fundraising balance and receipted correctly.

DONATION VS SPONSORSHIP

DONATION is a voluntary payment, for which the donor receives nothing of value in return. This means that tickets to functions, raffle tickets, auction items etc are not donations because something of value is received in return for the payment.

SPONSORSHIP is a payment, for which advertising or marketing benefits are received. As an example, the sponsor may receive signage on your Bash Car. If they receive a small sticker on the car up to (30cm x 10cm) then it is not considered 'of value' and the payment can be treated as a donation. However if the sticker is larger than (30cm x 10cm) this becomes sponsorship which includes GST, so the funds credited to the team fundraising statement will be net of GST.

INVOICES

Many organisations require an invoice to make a donation/payment towards your fundraising. To request an invoice please email the amount, company name, contact person, email address and your Bash car number to Tanya via finance@variety.org.au

SQUARE

Square is a small device you can purchase which allows you to accept tap-and-go credit card donations/payments anywhere anytime, and the money goes straight into the Variety bank account.

This is an easy system that you can use at any fundraiser or even when collecting donations whilst rattling the collection tin, giving people the opportunity to donate even if they don't have cash on them.

We recommend the \$59 version and you can purchase these devices through either Officeworks or Harvey Norman and we can help you set it up.

Other fundraising options

WORKPLACE GIVING

What will you give?

The message in our 'Workplace Giving' campaign is simple. For as little as \$2 per week, an individual can make a real difference to the life of a child in SA.

By signing up your organisation's employees to Variety's Workplace Giving Program, donations received from your organisation and individuals can be attributed to a chosen Bash vehicle, not only helping your car's fundraising tally but helping kids in need in SA!

For just \$8 per month over a year, your regular gift will help Variety send a child in need to the Annual Variety Children's Christmas Party at the Adelaide Event and Exhibition Centre. Those of you who have been to one of these parties will understand what an inspiring experience it is. Workplace Giving Brochures are available from the office please, contact us on 8293 8744.
