## Variety Moto Run 2022

On behalf of the entire Variety family, we would like to sincerely thank you for committing to be part of the 2022 Variety Moto Run.

By participating in, or sponsoring, the VMR event you are helping to generate positive outcomes for South Australian children and their families and are a valued part of a ‘community’ that recognises the importance of giving back.

In return, we hope we can provide you with four fun-filled days that celebrate the human spirit, encourage camaraderie and friendship, and embrace the beauty of our own backyard.

We look forward to connecting with you along the journey and wish you a safe, thoroughly enjoyable and memorable event.

From us to you – a heartfelt thankyou.

## Sponsor's Message

As long-time supporters of Variety SA we are excited and honoured to be Platinum Sponsors of this year's Variety Moto Run for the first time. We are big believers in the work that Variety does helping kids in need to prosper in life. Events such as the Moto Run and the funds raised from this event are a crucial part of helping to improve the quality of life and life opportunities for children in need.

Tim Adams Wines and Mr Mick Cellar Door and Kitchen are all part of our family owned and operated company located in the beautiful Clare Valley.

Variety SA relies on their sponsorships and entrants to raise money for kids who are sick, disadvantaged or living with disability. The money raised helps children by granting practical equipment and funding programs.

Pam and I would like to thank every entrant and sponsor for coming on board in 2022. Congratulations to your team and supporters on your fundraising efforts.

Cheers,

# VARIETY SA GRANT STORY

## Lincoln's Story

Lincoln is a happy eight-year-old who loves to play. At four months old he was diagnosed with a rare and severe type of epilepsy, Dravet syndrome. This condition impacts his life in many ways, with a slight change in body temperature triggering a seizure. Lincoln also lives with autism spectrum disorder, and global developmental delay. Variety SA granted equipment valued at \$13,900 to ensure a safe backyard. The equipment included a camera monitor for safe play, a harness system, a seizure monitor and mister fan to help regulate temperature. The equipment has given Lincoln more independence in his everyday life, and has created an area which encourages calm and safe play.
