## OUR YEAR

We are extremely proud of all that we have achieved this year – the high quality of support we have continued to give children and families and the amount of Western Australian lives we have made brighter. We now look ahead with a renewed focus and excitement for the future.

MESSAGE FROM OUR VARIETY PATRON

MICHAEL SMITH

As I write this message, good friends are dealing with the greatest concern that can visit a family, a child in distress. Even though they have the best of medical care directed at this lovely girl, it still leaves a knot in your stomach, at a tense, deeply upsetting time. As a parent we all wish we could take our children's pain.

Whatever comes second to the value of our children is a long way behind. And that is why Variety – the Children's Charity of WA – is such an important part of our community.

Many of the children that fall into the warm and protective embrace of Variety do not have the best of everything, and they deserve all that we can give them.

To lift a child, in every sense, is to raise us all.

My wife Robyn and I have a great sense of privilege in being included in the Variety family. We are grateful for all of the people involved who have helped this very special cause.

We have the same hope for Variety that we have for our children, that it continues to grow into whatever shape will see it take delight in achieving its potential and continue to make a lasting contribution to our community.

MESSAGE FROM THE CHAIRMAN

JAMES KOMNINOS

On behalf of our members and supporters, I am proud to present the 2016 Annual Review for Variety – the Children's Charity of Western Australia.

As an accountant, my life is focused on numbers, and as Chief Barker of Variety WA, there is none more important than the number of Western Australian children in need whose lives we are able to positively impact. Thanks to your generous support, 15,556 WA kids received much needed equipment and experiences in 2016, and another 27,655 children directly benefited from ongoing programs and projects funded in previous years. That's more than 43,000 children impacted. Furthermore, we are pleased to announce an operating profit of \$1,508,655\* for the year. This represents a growth of 6% on the previous year, which is a remarkable result in an unsettled economic climate. Importantly, this was achieved with a charitable ratio of 89.8 cents in every dollar available to be granted to WA kids in need\*\*.

Part of this success is due to our long term strategy to consolidate existing, and diversify and develop new income streams. Notable this financial year was the return of our Variety of Choice Home Lottery. Now in its second year, this has become one of our most significant income streams with strong potential for growth into the future, and we thank JWH Group and Plunkett Homes for their continued backing.

After many years of being a beneficiary and close partner of the IGA Carols by Candlelight, we were proud to see the event transition into Variety's stable of events and become the IGA Carols by Candlelight for Variety. The event allows us to broaden our reach and share the Variety message with thousands of WA families. We acknowledge the Apex Club of Perth for their stewardship of this event over the past 70 years and we look forward to growing what is already one of Perth's favourite Christmas traditions.

On behalf of the Board, I would like to thank all members, committees, sub-committee members, event participants, donors, volunteers, sponsors and staff for your support. We could not have achieved these wonderful results without you, and look forward to empowering even more WA children in need to live, laugh and learn in 2017.

\*Financial year 1 October 2015-30 September 2016. See [www.varietywa.org.au](http://www.varietywa.org.au) or contact Variety WA to receive a copy of our 2015-2016 Audited Financials.  
\*\*The charitable ratio is determined by dividing the operating result before grants & programs by donations & collections for the year ended 30 September 2016.

## OUR MISSION

To empower Western Australian children who are sick, disadvantaged or have special needs to live, laugh and learn.

## OUR VISION

For all Western Australian children to attain their full potential regardless of ability or background.

### Variety Freedom Program

Through our Freedom Program, Variety helps children gain independence by providing support for mobility equipment, positioning and in-home care needs.

### Variety Future Kids Program

Through our Future Kids Program, Variety helps children realise their potential by providing financial support for education and communication equipment. This also includes Variety's Scholarship Program, helping children achieve their academic, sports or arts potential.

### Variety Caring for Kids Program

Through our Caring for Kids Program, Variety helps care for sick children by providing medical items and equipment.

The girl on the right has blonde hair and is wearing a similar colorful tie-dye shirt. They are surrounded by red and green streamers, suggesting a festive or party atmosphere. The background is a plain, light-colored wall.

## OUR IMPACT

Variety helps when others can't. We ensure that all children and families have the best opportunity to live life more fully regardless of ability or background. Let's take a look at the impact we've had in WA this year.

OUR IMPACT

**100,519**

children directly impacted by Variety across Australia in 2016

Variety's programs ensure immediate needs are met for families doing it tough.

Having their needs met opens up opportunities for new experiences leading to increased enjoyment and fun for children who might not otherwise have access to these experiences.

A child's ability to participate with their peers and family improves social connections, their feelings of inclusion and ultimate equality with their peers.

Medical and therapeutic interventions improve a child's development, long-term health outcomes and overall wellbeing.

## ADDISON

Addison is a beautiful six year old girl, who is currently attending pre primary. She loves the company of others, going for long walks and playing with her sisters.

"Variety WA has supported our daughter Addison in so many ways. Addison has Rett Syndrome which among many other disabilities, robs her of the ability to speak. Variety kindly gifted Addison an iPad and software which she uses to communicate socially and at school. As a family we were also lucky enough to attend the Variety Motor Mouth Camp and recently they have helped with the cost of modifying our vehicle for Addison's wheelchair.

But above all...Variety has enabled our daughter to participate and do things that any other six year old girl wants to do, despite being trapped in a body that fails her, and that is the greatest gift of all"

Narelle Read, Addison's mother

## ASHLYN

Most of the time, thirteen year old Ashlyn uses a wheelchair to get around. But for a few precious moments every day, Ashlyn can enjoy freedom and escape the physical limitations of her Cerebral Palsy, by swimming in her backyard pool.

Thanks to Variety – the Children’s Charity, parents Michiko and Vince were able to install a pool heater, meaning Ashlyn can get the best experience possible, with the therapeutic warm water relaxing her tight muscles.

“It’s made a huge difference to her life,” said Michiko. “Ashlyn loves being a mermaid in her lagoon”.

## ASHTON

11 year old Ashton has had a love for ballet from a young age, and since his first steps into a class, it was clear he was a talented dancer. Variety WA provided Ashton with a scholarship so he could attend Charlesworth Ballet Institute where he is able to split his days between academic studies and perfecting his ballet skills. Without the support of Variety WA, Ashton's mother, Kylie would not have been able to afford these classes and help Ashton grow his talents.

OUR  
PROGRAMS

## VARIETY MOTOR MOUTH

The Variety Motor Mouth Camp community experienced a different format in 2016 with the introduction of new initiatives such as bowling, the opportunity for parents to attend the AGOSCI National Tour Workshop and the very unique opportunity to take part in a FunFlight.

The Variety Motor Mouth Camp provides children who use Augmentative and Alternative Communication (AAC) devices with the skills and confidence to communicate with family and friends. The camp will be running again in 2017 together with the continuation of other social events. The Variety Motor Mouth Program is made possible thanks to the generous support of P&N Bank and our individual donors.

## VARIETY SCHOLARSHIPS

2016 was the 20 year anniversary of the Variety Scholarships Program. Since its inception, 317 young Western Australians have received scholarships and gone on to achieve great things.

The Variety Scholarships Program recognises the inspirational talents of Western Australian children who are living with illness, disability or disadvantage to overcome adversity and reach their potential.

In February 2016, 37 young people received scholarships at a special presentation at the Heath Ledger Theatre. Over \$100,000 worth of scholarships were presented, funding specialist tuition and related expenses.

The 2016 Variety Scholarships were made possible thanks to the generous support of The Bendat Family Foundation, The Future Generation Investment Company and The Whately Foundation.

## VARIETY KIDS CHRISTMAS PARTY

Each year, the Variety Kids Christmas Party puts smiles on the faces of hundreds of children and their families.

For the first time, the annual Variety Kids Christmas Party was held at Perth Zoo. Almost 700 Children attended along with their parents and carers. The Christmas Party offers a welcome respite for families, giving them the opportunity to get into the Christmas spirit and enjoy a relaxing afternoon together. The kids had the opportunity to interact with reptiles from the zoo and were treated to face painting, amusements, stage shows and a special performance by the Variety Youth Choir. As always, the highlight of the day was a special visit from Santa Claus and the kids unwrapping their Christmas presents.

The 2015 Variety Kids Christmas Party was made possible thanks to The Stan Perron Charitable Trust, Lotterywest, Refresh and many other individual donors.

## GOANNA PARK ADVENTURE CAMP

Each year, Variety children from all over Australia make the trip to Darwin for an incredible camp which gives young people with special needs the opportunity to experience the fun and personal achievement of an adventure camp.

A group of 12 WA teenagers experienced new and exciting activities such as swimming in a wave pool, abseiling and even riding motorbikes. The camp goes a long way in helping develop independence, confidence and resilience by encouraging campers to take on new challenges and step outside their comfort zones.

Variety WA would like to thank Lotterywest and all the wonderful volunteer carers for their generous support.

## VARIETY TOY BANK

The Variety Toy Bank Program, now in its 22nd year centres on the collection of new toys which are then shared with women's refuges across the state. Each child arriving at a shelter is given a special toy to call their own. It's a small but important token to show them that someone cares. In recent years, the program has expanded to provide much needed resources for the Promoting Safety and Respect Program – a program that delivers violence prevention education to high schools in WA.

The highlight of the 2016 Variety Toy Bank calendar was a powerful and inspirational speech by 2015 Australian of the Year, Rosie Batty who has risen above her personal tragedy to put domestic violence on the national agenda.

Variety WA acknowledges the outstanding contribution of our Committee led by the Variety Toy Bank Chairperson, Judy Paioff.

## VARIETY YOUTH CHOIR

For more than 17 years, the Variety Youth Choir has been entertaining audiences whilst enriching the lives of its many talented young performers.

Members volunteer their time and share their talent at performances throughout the year, in turn acting as outstanding young ambassadors for Variety.

The choir helps increase the self-confidence and skills of its members who have come together from a diverse range of backgrounds and abilities. A passion for song and dance unites the choir, who remain one of WA's busiest professional young performance groups. In 2016 the Variety Youth Choir performed over 20 shows with highlights including the Bushfire Relief Concert and the IGA Carols by Candlelight for Variety.

## SUNSHINE COACH PROGRAM

The Variety Sunshine Coach Program continued to give the gift of freedom and inclusion in 2016 with two new Variety Sunshine Coaches for Fairbridge Village in Pinjarra and Broome Senior High School Education Support Centre.

The program provides transport to organisations that cater for children with physical disability, regional or social disadvantage, to enable them to access the community and experience a range of programs and activities. Both Sunshine Coaches were fitted with wheelchair modifications – allowing all children to attend excursions and extra-curricular activities together.

## OUR PROGRAMS

### VARIETY CHARITY LINK

It is estimated that one in six\* Australian Children live in poverty today – placing more pressure on families than ever before.

In 2016, Variety WA continued to partner with Charity Link to help deliver the “necessities of life” for many children and families right around the state. Variety Charity Link harnesses the power of hundreds of volunteers to deliver much needed assistance, with a focus around three key times – back to school, winter and Christmas.

The Back2School program helps provide disadvantaged children with basic stationary and the tools they need to succeed in their education. The provision of winter blankets helps keep disadvantaged children warm during the winter months and toys and food hampers help bring a smile to the faces of disadvantaged children and their families at this special time of year.

I JUST WANTED TO SAY A BIG THANK YOU TO VARIETY – THE CHILDREN'S CHARITY OF WA

"The Goanna Park Camp was a huge success and I am very grateful to have been chosen to spend the week with so many wonderful people. The amount of work that goes into organising such a camp is huge and full credit must go to the amazing people that make this possible. It was incredible to see the children grow in confidence and ability in the week that they attended camp. The volunteers made all this possible. Without them the camp would not go ahead."
