Function & commitment

The primary function of the Kids Support Committee (KSC) is to deliver our mission *'to empower West Australian children who are sick, disadvantaged or living with disability to live, laugh and learn'*.

This is achieved through the delivery of Grants, Programs, Experiences and Scholarships to help as many WA kids as possible.

As a member you will be an important part in the mechanism of giving back to the WA Community through assessing and recommending outcomes for grants that have been submitted by individuals and community groups / organisations, as well as consulting on current and future strategies for the cause related function for the organisation.

- Meetings are held on Monday afternoons from 3.30pm - 6pm* at the Variety office in Burswood (video link available, F2F preferable).
- Members attend at least 70% of meetings (scheduled up to 12 months ahead)
- Sign a membership & confidentiality agreement
