## Variety WA 4WD

This is a short guide to explain the correct way to use the proudly supporting Variety Children's Charity and Variety 4WD logos. We really appreciate that you follow these guidelines throughout the duration of your promotional activity, as it allows us to maintain brand consistency across the 4WD.

### Naming your Event

All events held outside of Variety must be labelled as 'an event supporting Variety – the Children's Charity' rather than labelling as a Variety event. Your car number must also be the main feature in the title and be written in the following format.

**Variety 4WD Car XXX proudly supporting Variety – the Children's Charity**

### Logos

Variety WA will supply the logos you can use in the following formats:

- .jpg – has a white background and is to be used on documents with a white background
- .png – has a transparent background and is to be used on coloured background

Please note – **none of the supplied logos may be changed or adjusted in any way.** This includes stretching of the logo to fit into a desired space. Please contact Variety WA if you require any assistance with this.
